# ABOUT US

Tarun Creation, established in 2019 in Surat (Gujarat), is a well-known enterprise that is involved in manufacturing and supplying an exclusive range of dupattas. Our dupatta collection includes net dupattas, cotton dupattas, silk dupattas, chiffon dupattas, Nazmin dupattas, rayon dupattas, and semi-cotton dupattas. You can even find dupattas in categories like net cut work dupattas, Gujri printed dupattas, latkan dupattas, Bandhani dupattas, designer dupattas, multicolor dupattas, Banarasi dupattas, fancy dupattas, rakhi lace dupattas, etc. Available in great fabric quality, attractive prints, low maintenance, long-lastingness, fade-resistant properties, and reasonable prices, all of these dupattas are high in demand in the market.

Although we are new in this domain, we better understand the requirements of buyers and the latest ladies' fashion trends. Thus, we go beyond the conventional methods of producing dupattas and designs & create dupattas of exceptional prints and designs. Our quality-assured specialized dupattas are approved by a team of quality testing experts who examine these dupattas on several quality measurements.

We, at Tarun Creation, also encourage our buyers to provide their personal

choices for each product so as to help our professionals to customize the dupattas according to their requirements and preferences. Our experienced and dynamic professionals are well-trained to deal with every customer in a proper manner and are efficient enough to respond to the increasing market demands. Owing to our innovative methods of creating dupattas, efficient production & marketing units, and excellent quality management, we are perfectly driving our business on the path to success.
