---

Dear Sir/Madam,

**ClearTech Fabrics** was established with an aim to provide best quality **fabrics and filter media**. Our promoter has an experience of more than 25 years in the industry. As the tag line **"TRUST AND QUALITY"** suggests ClearTech team ensures that only excellent quality products are provided to their esteemed clients.

We provide wide range of filter media for all your industrial needs. Our range of products can be used in wide variety of sectors like pharmaceutical, chemical factories, dyes and intermediates, cement factories, sugar, starch industries, oil, food & beverages, minerals, water treatment & power plants, paint industries, steel, agro industries etc.

ClearTech Fabrics plant located at Bhivandi, Thane district in Maharashtra, an ideal place to transport materials timely and accurately to any part of India at the best possible rate.

Our range of fabrics include Technical textile like cotton, polypropylene, polyester and nylon which can be further classified as mono filament, multi filament, non-woven, anti-static and non-antistatic fabrics. Also we have wide range of **imported fabrics which includes carbon monofilament and carbon multifilament specifically used in Formulation process**. ClearTech Fabrics has a wide range of filter media.

The broad range includes:

- ❖ **Filter Fabrics**
- ❖ **Centrifuge Bags – Basket type, Lifting type and Pillar type**
- ❖ **Dust Collector Bags**
- ❖ **FBD-FBP-FBE (Combo Filter bags & Bonnet Filter bags)**
- ❖ **Filter Press ( Butterfly type and Plate & Frame type)**
- ❖ **Liquid Filter Bags ( Mesh & Non-Woven)**
- ❖ **Cartridge / Candle Filters**
- ❖ **Sparkler Filter Pads**

Looking forward to receive your valuable enquiry at the earliest.

Yours faithfully

**CLEARTECH FABRICS**
