Established in the year 2022, KV E-Services Private Limited is one of the most trusted name as an importer and supplier of various quality grains that have a wide ranging application in numerous industries across the nation. Situated in Hanumangarh (Rajasthan, India), we are diligently engaged in providing the finest grade of Barley Seeds, Gram Seeds, Mustard Seeds, Wheat Seeds etc.

Our offered range comes from extremely experienced and ethical sources who have expertise in meeting every requirement and specification of our customers. They are well equipped to bring forth the products in expected quantity without compromising the quality in any way. We ensure to partner with only credible sources with excellent references, feedback and values.

This allows us to provide 100% natural, pure, uniform and a range of nutritionally packed products. The products that we offer are manufactured with utmost care and hygiene under a standardised procedure to meet all the quality and safety criteria of this industry. We also take full control of checking all the products before they are packed and dispatched.

We are delighted to introduce our CEO, Mr. Sushil Kumar whose management skills and way to lead our team members has expanded our network of loyal customers worldwide. With his support we have achieved a name synonymous to trust that we maintain through these qualities:

- ◆ A reliable sourcing and supplying network to ensure successful completion of all the orders
- ◆ Capacity to store and serve bulk, urgent, customizable and any other particularity with perfection
- ◆ A hardworking team of professionals with a zeal to make effective improvements to maximise client satisfaction
- ◆ Timely Delivery with various options to provide ease and long lasting partnerships with our clients
