A woman with dark hair pulled back into a bun is wearing a black long-sleeved crew-neck sweatshirt. The sweatshirt features a graphic print in the center that reads "GOSSIP" in large, bold, textured letters at the top. Below it, the words "popularity" and "has its price" are printed in a smaller, clean font. To the right of "has its price", the word "GIRL" is printed in large, bold, textured letters, partially overlapping the text above. She is also wearing white pants and has her right hand in her pocket. The background is a plain, light grey color.
