Our product range comprises of Leather Labels, PU Dome Labels, PU Leather Labels, PU Labels, Jeans Leather Labels, Leather Patch Labels, Non Tearable Products, Non Tearable Paper, Non Tearable Label etc. Customers can avail the listed products at market leading prices across India. We began as one of the top producers of a wide range of labels, which are highly appreciated by our customers for their high use, flawless finishing, and lightweight. All product lines are manufactured following the generally recognised standards of quality.

At Yashraj Industries, the main objective is to offer top-notch quality labels to satisfy the varied needs of our customers. Based in Mumbai (Maharashtra, India), the company is managed by Mr. Yash Maheshwari & Miss. Shraddha Bhatt. With their collateral contribution and vast experience in this domain, the company has successfully established a name for itself in the industry.

Our Team

Our company benefits from a committed team whose constant dedication enables it to achieve greater heights in this domain. Our team is made up of a variety of workers that coordinate perfectly with one another to comprehend the market trends. We have divided our staff into several departments according to each department's area of expertise to ensure the efficient operation of all commercial activities.

Why Us

We provide our customers with a diverse selection of labels, forging a distinctive reputation for ourselves in the process. Admired by distinguished clientele, we have accumulated significant industry expertise in this field. Having a sound infrastructure, we are capable of designing the products based on our customer's specifications according to their needs.
