Hemet Enterprises is a well-reputed organisation located in Aligarh, Uttar Pradesh. Our company brings an incredible change in the products related to door safety. Being a renowned brand since 1983, we offer products like padlocks, door locks, J hooks, khuti and many more.

Our Strength

What makes us apt in meeting all the market demands? The very first reason is our well-furnished manufacturing and supply facility. Both of our sectors are powered by world-class machinery and highly trained staff. With a rich heritage of over 40 years, Hemet Enterprises has demonstrated itself as a leader in the global market.

In the worldwide door lock industry, we established our brand as a provider of top-class window and door fittings. Our products are

In the worldwide door lock industry, we established our brand as a provider of top-class window and door fittings. Our products are known for their sturdiness, smooth metal finish and quality. We at Hemet Enterprises, are encouraged in discerning the ground realities. This is to get a new start through several inventive products for ensuring better safety purposes.

What We Offer ?

We offer the best products that are extremely significant for making any door of possession safe and secure. Our trained staff can understand the different needs of our clients well. Thus they can deliver customised solutions for each of them. The main motto of our brand is to utilise the highest quality materials to manufacture products. This is to ensure client-friendliness and world-class quality. We dedicate our success to all our valuable staff who work with their highest endeavours. Contact us now to know more about our products.
