About Us

Shree Plastic Industry

Shree Plastic Industry was established in the year 2017 in Maharashtra, India. We are a manufacturer, exporter and trader of PP bags and HDPE bags. We have been in this business for years. This journey, governed by the principles of quality and customer service, has been remarkable in terms of the range of products we've made and the quality we've delivered.

These accomplishments have been the results of the great hard work and dedication of the entire team and the state-of-the-art infrastructure along with persistent technical skill gradations. It is the sheer strive for quality excellence that has been the main reason behind our long-term association with our customers.

In this challenging voyage, we have acquired the confidence and trust of the customers through the supply of industry-specific products at competitive prices with uncompromised quality and well-timed deliveries.

We Cater To The Packaging Requirements of The Following Industries:

- Agro Pesticides Industries
- Basic Drug Industries
- Cattle Feed Industries
- Cement Industries
- Chemical Industries
- Food Products Industries
- Metal Industries

- Mineral Industries
- Paper Mill Industries
- Textile Industries
- Tyre Industries
- Fertilizer Industries
- Salt Industries

& Many More

Our Team

Heading One of India's largest Domestic Manufacturers and exporters of PP Woven Products Company is a team of experienced and passionate leaders. We have experts who pay attention to the quality of the products and make sure that customers get the right ones.
