Welcome to DMS Groups – your trusted partner in providing a comprehensive range of medical injections and pharmaceutical supplies. Established in 2001 by Mr. Dilip Jane, our company has evolved into a leading supplier in the medical industry, serving the healthcare community not just in Nagpur, Maharashtra, but across the nation.

With an unwavering commitment to quality and excellence, DMS Groups has curated a diverse portfolio of essential medical injections that cater to various medical needs. Our product line includes a wide array of critical injections, from anticoagulants like Heparin 5000IU Injection and Enoxaparin Sodium, to antimicrobial agents like Vancomycin Hydrochloride and Doripenem. We're also a reliable source for specialized treatments such as Teriparatide, Octreotide Acetate, and Glutathione injections.

Our founder, Mr. Dilip Jane, envisioned a company that not only provides vital medical supplies but also places a premium on integrity, reliability, and customer satisfaction. These principles guide us in every aspect of our operations. We have forged strong partnerships with reputable manufacturers and pharmaceutical companies, ensuring that the products we offer meet the highest industry standards.

At DMS Groups, we understand the critical role that medical injections play in patient care and treatment. Our commitment extends beyond supplying products; it encompasses a dedication to contributing to improved healthcare outcomes. With a team of knowledgeable professionals, we're always ready to assist healthcare providers in finding the right solutions for their patients' needs.

As we continue to grow and expand our reach, our core values remain unchanged. We pride ourselves on transparency, accountability, and a customer-centric approach. When you choose DMS Groups, you're not just acquiring medical injections – you're gaining a reliable partner invested in enhancing the quality of healthcare delivery.
