# ABOUT US

Deeply rooted in Hojai (Assam, India), we at KR Enterprise are a leading manufacturers, exporters and suppliers of organically cultivated and authentically matured nursery plants that comes in a versatile range of Betel Nut Plant, Red Sandalwood Plant, Agarwood Plant, Areca Nut Plant, Assam Lemon Plant, Grafted Black Mango Plant, Grafted Grape Plant, Hybrid Papaya Plant, Bambusa Bamboos etc.

In order to achieve this, we are supported by a spacious manufacturing facility where all the products are hygienically grown with the perfect combination of age old traditional methods and cutting edge innovative technology. Further, we rely on the technical expertise of only experienced farmers and botanists who understand our vision of creating sustainable solutions that can flourish both our customers and communities associated with us.

With our progressive approach, we apply the finest organic manure to make them extremely sturdy against harsh weather pattern of different areas. Our products are also cultivated under the supervision of our experts and regularly taken care of till they become worthy of our esteemed customers worldwide. For added protection, our plants are provided in a strong and tamper-proof material, where each product goes through a strict quality check before we deliver them to our end client.

Since our inception in 2021, we prioritize the maximum customer satisfactions by religiously offering value added products and services at the most reasonable prices. Along with this, we have a well-established distribution network that is capable to deliver both bulk and urgent orders to our clients within the promised time frame. Our different payment modes also turn the ordering experience convenient, hassle free and sought after for every client.
