# About Us

Based in Kurnool (Andhra Pradesh), MKB Enterprises produces high-quality PET bottle flakes. Its expertise lies in manufacturing recycled PET bottle flakes, unwashed PET bottle flakes, washed PET bottle flakes, etc. The offered PET bottle flakes are of the highest quality standards and can be used in diverse industrial applications. The offered products can be used for making polyester fabrics, polyester strapping, polyester films, polyester sheets for thermoforming, polyester resins, textile fibers, and bottles.

In producing PET bottle flakes, unwashed PET bottle flakes, and washed PET bottle flakes, we utilize our vast network of recycling centers to sort and separate the plastic bottles by color and plastic type to avoid contamination in the manufacturing process. The PET bottle flakes are available in different colors such as transparent, dark blue, light blue, and green ready for instant delivery to customers around the globe.

We pack our PET bottle flakes in the most advanced packaging materials. Customers all over the world can connect with us now and place their orders as per their needs. You can purchase PET bottle flakes from us at the most affordable prices.

To handle all our company's activities, we have employed the best professionals in the industry. These professionals are known for accomplishing their assigned tasks with the utmost sincerity and professionalism. With their support, we are catering to the diverse demands of our customers properly.

The company is recently founded in 2023 by Mr. Mallikarjuna Reddy. Under the expert leadership of Mr. Reddy, the company is moving ahead with the goal to become one of the leading names in the industry.
