About Us

MULTIFLORA
Creators of Fine Fragrances

Multiflora, your premier destination for fine fragrance oils that captivate the senses and define luxury. Established in 1987 in the vibrant city of Mumbai, India, Multiflora has emerged as a leading manufacturer in the fragrance industry under the visionary leadership of CEO Mr. J.L. Bhatia. With a strong foothold in manufacturing and supplying exquisite fragrances, we have been serving Indian market with our exceptional products for over two decades.

Our journey began with a passion for creating captivating fragrances that evoke emotions, memories, and experiences. From humble beginnings, Multiflora has grown into a renowned name synonymous with quality, innovation, and excellence in the fragrance world. Our commitment to continuous improvement and customer satisfaction has been the driving force.

At Multiflora, we envision becoming the supplier for fine fragrance oils, Oudh and Arabic Fragrances, setting new standards of creativity, quality, and sustainability in the industry. We aim to delight our customers with unique and captivating scents that resonate with their individual preferences and lifestyles. Our vision is to create a lasting impact through our fragrances.

Innovation and Creativity

Innovation is the cornerstone of our success at Multiflora. We continuously strive to push the boundaries of creativity, exploring new fragrance trends, ingredients, and techniques. Our passion for innovation drives us to create unique and memorable scents that stand out in a competitive market, keeping our customers delighted and intrigued.

Multiflora has ability and expertise to create exclusive Fine Fragrance oils for Masculine, Feminine and Unisex types. Kindly contact us for your requirement of top class Fine Fragrances, if you are planning to launch your own great smelling spray / EAU DE Parfum.

We also make Fragrances for Arabic Attar type Products like OUDH, Majmua, Mukhallat and BAKHOOR. Please feel free to contact us for your above fragrance needs. We also create Fragrances for Soaps, Detergents, Cosmetics, Incense Sticks, Roll-ons, Candles, Car Perfumes, Air Coolers etc. against specific requirements. Manufacturers of these Products can contact us for their Fragrance requirements in bulk.
