## ABOUT US

**Bankey Bihari Traders** was set up in the year 2000. The collection of products offered by us includes Indian Sugar, Sugar Powder, Pure Sugar, Jaggery, Jaggery Powder, Jaggery Cubes, Jaggery Block, Sweet Puffed Rice and Sweet Elaichi Dana. We have made a name for ourselves in the global market by delivering premium quality products to our customers, along with the required regulatory support. We look ahead to adding more delighted customers and suppliers from different parts of the globe. We are based in Hapur, Uttar Pradesh (India).

## Advanced infrastructure

Our state-of-the-art facilities serve as a role form for the sugar industry since the company has achieved excellence in plant operational metrics and seized a technological leadership stand in the industry.

The team has followed up numerous initiatives to drive sustainable development through water conservation and substitute energy solutions. It has resulted in lasting competitive benefits and efficiencies in different perspectives of operations. It has also taken on a practical role at the industry level and has been active in driving many policies and regulatory changes in the ethanol, sugar, and renewable energy sector.

It is under the management of Mr Sparsh Gupta (Founder) that the sugar business has constantly been performing beyond hope. He has been involved in driving Bankey Bihari Traders' growth across the country by taking commerce at the front of technological and operational excellence.
