About Us

A GMP certified unit, strategically located at NH-6, very close to Kolkata, Ayusri Health Products Limited manufacturer and exporter more than 350 herb-enriched, eco-friendly products, ranging from herbal personal care products to Ayurvedic therapeutic preparations. Adhering to international quality and packaging standards, we proudly cater to a wide base of clientele within India and abroad. Being in the Industry for more than 2 decades, Ayusri thoroughly understands that health and beauty are best attained naturally. Our true to Nature offerings, such as Hand Sanitizer, Hair Shampoo, Herbal Handmade Soap, Health Care Supplements, Hair Oil, Cold Pressed Oil, Body Mist, Face Wash, Body Lotion and Herbal Tea etc. We are service providers of Pharmaceutical Third Party Manufacturing Service, Contract Manufacturing Service, Private Labelling Service and Co Branding Services. Enriched with immensely healing oils and restorative herbs, each of our products bestows much more than external gloss and radiance. Skin Health and Beauty is a continuous pursuit and Ayusri believes in endowing true vibrance through great internal health coupled with Nature's essence and purity.

We are a premier herbal pharmaceutical company. We rely heavily on Research & Development to offer innovative Ayurvedic products to our clients worldwide. We implement modern techniques to make ancient Ayurvedic formulas accessible in very easy to use forms.

Our products are available across 20+ countries. In our quest to bring Ayurveda into our modern day living we constantly innovate to keep latest global trends in mind while designing our particular offerings. We have dedicated the past 25 years to our mission for excellence in

Compliance

We duly adhere to International Regulatory and country-specific requirements for Herbal Products and Cosmetics. The Quality, Packaging, Efficacy and overall appeal of the product is always in tune with the given market. The quality standards are in accordance with pharmacopoeias and acclaimed formularies. Ayusri ensures that all the products meant for international trade are in compliance with the requisite Acts and regulations.

Our Vision

A healthier, happier and more radiant World is what Ayusri foresees through all its eco-friendly offerings. We work towards protecting the unique and enigmatic heritage bestowed upon us. We are bound towards making this planet a happy and healthy one, and committed towards spreading awareness regarding this Ancient Science of Healing, Ayurveda, which is widely acclaimed today, and has now been observed to be the most scientific one. Ayusri has succeeded in bringing forth

quality Ayurvedic products in consumer acceptable and palatable forms. Still, there is a way to go, and we would assure product efficacy and customer satisfaction at each and every step.

Our Mission

If we can briefly summarize our Mission, then it would be 'Sarve Bhavantu Sukhina, Sarve Santu Niraamayaa'. It is a hard fact that Health and Happiness are inseparable; a healthy body encompasses a happy mind, and a happy mind works towards attaining a healthier system. It is an ongoing process, and Ayusri just wishes to contribute towards the same. We wish all beings to be happy and disease-free. When these basics are in place, then a person emits unmatched radiance from within. Ayusri's honest endeavour and sincere connotations automatically help us reap boundless returns for ourselves and our stakeholders. Ayusri is committed to the noble cause of spreading awareness regarding Ayurveda and its immense healing capabilities. We all are a part of Nature; only Nature can cure us, and be our guard at all times. When the products are authentic, and the mission is pure and genuine, then there is no looking back.
