ABOUT US

Incepted under the sole proprietorship of Mr. Govind Bhai Patel in the year 2014, Global Industries is reckoned as one of the most reputed exporter and supplier of highly appreciated Lollipop Machine, Wrapping Machine, Candy Machine, Vacuum Batch Cooker, Rotary Sugar Kneader, Cooling Plate, Coating Pan, Sigma Mixer, Industrial Dies etc. of different specifications to successfully meet the diverse requirement of the global market.

Over the years, we have established a large network of reputed manufacturers who contain the required technical expertise to easily comply with the varied demand of our customers without any hassle. Our vendors also use the most advanced technology based machines, equipment & tools to efficiently produce extremely robust, durable, customer friendly and high end products in a cost effective manner.

Moreover, the entire range is produced under the supervision of well qualified engineers, quality controllers and skilled workforce who ensure that each and every stage is in accordance with the predefined industry guidelines. Acclaimed with the desired operational fluency, our offered range is again tested for any flaw and only then dispatched for supply.

Situated in Ahmedabad (Gujarat, India), we have dynamic and equally experienced employees in our company who implement the most ethical practices to attain the highest mark of customer satisfaction. Due to their consistent support, we are able to procure, store, package and supply the best products while giving the required customer support at all times. Our company is also backed by a cutting edge infrastructure to handle all the specialised operations without any inconsistency.

At Global Industries, we have attained a distinguished position in the industry under the visionary guidance of our Founder Mr. Govind Bhai Patel, who constantly motive us to bring value-added products, industry leading pricing policy, prompt delivery, customizable options and ready customer support across the globe.
