

PRECIOUS METAL INDUSTRIES

+91-7874054493

info@preciousmetalindustries.com

Precious Metal Industries was established in 1999 to introduce vertical processes in manufacture of Brass & Copper Alloys to the city of Jamnagar in Gujarat, India. Jamnagar is recognized as the world centre for copper alloys, mainly brass based components commonly used in various industries like Electrical, Plumbing, Hydraulic, Pneumatic, Textile, Automotive, etc. Through commitment to integrity, quality and service, PMI has managed to grow over the years.

Customer Satisfaction

Our customers gave us a 95% approval rating, significantly higher than industry norms.
