ABOUT US

One Stop Solution for Medical Equipments

METKRAFT Mediequipment Pvt. Ltd. is one of India's reputed manufacturer & suppliers of Medical, Surgical & Engineering Equipment. We also deals in Surgical Instruments and Hospital Supplies.

Our Story

Started as a small manufacturing unit some 05 years back, the company got incorporated in 2019 and has continued to expand its horizons to new markets in India, providing quality products and the best after sale services. Currently we cover all major cities of Tamilnadu, Karnataka, Andhra Pradesh, Telangana, Kerala, Maharashtra, Odisha, West Bengal and Bihar and have more than 500 satisfied clients.

Our Expertise

We have a well-equipped latest technology CNC based Fabrication facility suitable for all type of Fabrication & Engineering Jobs. Offering a start-to-finish expertise and technology, METKRAFT is the one-stop solution for customized manufacturing. Our motto is to deliver quality products at the right time and most importantly at competitive price. Our aim is to continuously discover innovative products and services for customers and foster a creative and energetic work environment for employees.

What We Do:

We manufacture and supply Hospital Furniture, Orthopedic Implants, Anesthesia Products, Autoclaves, Suction Machines, Lab ware etc. In fact we have widest range of products for hospitals, doctors & clinics. We sell to distributors / wholesalers or direct consumers (Hospitals/Clinics) situated anywhere in India and the dealers who sell our products in their local markets.

How we got started

Started as a manufacturing unit in 2017, the company got incorporated in 2019 and has since continued to expand its horizons to new markets pan INDIA, providing quality products and the best of services. We have started in order to fulfill all the Customer Needs by delivering the best quality products at a competitive cost. We are proud to say that we have developed up to a level, where we are able to deliver the goods at right time with the better quality as per customer's expectations.

How are we different

In addition to the Fabricated components we are supporting our Customers by value added processes like Powder Coating, Metal Coating, Heat Treatment etc., in our products and delivering as Full finished sub assembly components which is ready to assemble or instant to use at our customer end. These processes help to improve the life of the products & create reliability in front our Customers. We also having suitable vendors for the above processes which are having good experience & well knowledge. Also ready to support us in the point of improving our quality & delivery at right time.

Company's Philosophy

We are committed for continual improvement & growth of our company as world class engineering industry. This can be achieved by: (i) Understanding the Customer requirements. (ii) Quality of Products (iii) Cost (iv) Delivery & Service We, here in METKRAFTS MEDIEQUIPMENTS PVT. LTD., manufacturing all the products with the best quality which always meets the requirement of our customer quality without any compromise. Our main agenda is to take our products with Reliable quality in front of all our Customers. Being in a business that has to take care of health and well-being of people, we ensure that no compromises are made. No doubt, we understand that life is precious. Since the beginning, our business philosophy is based on exceptional service, high quality and value. We pride ourselves on exceeding the expectations of our customers, our employees and our partners. The company believes in long term relationship and mutual growth as objective.
