

# The Best Quality

Established as a Partnership firm in the year 2005, We "Knox Life Sciences" are a leading Manufacturer, Exporter, Service Provider & Trader of a wide range of Pharmaceutical Tablet, Pharmaceutical Syrup etc. and Service Provider of PCD Pharma Franchises, Pharmaceutical Third Party Manufacturing etc. Situated in Phase 2 (Chandigarh, India), we have constructed a wide and well functional infrastructural unit that plays an important role in the growth of our company.

Established as a Partnership firm in the year **2005**, We "**Knox Life Sciences**" are a leading Manufacturer, Exporter, Service Provider & Trader of a wide range of Pharmaceutical Tablet, Pharmaceutical Syrup etc. and Service Provider of PCD Pharma Franchises, Pharmaceutical Third Party Manufacturing etc. Situated in Phase 2 (Chandigarh, India), we have constructed a wide and well functional infrastructural unit that plays an important role in the growth of our company. We offer these products at reasonable rates and deliver these within the promised time-frame.

Steadily making its contribution to the pharmaceutical industry for over a decade now, Knox offers third-party manufacturing facilities as well as Marketing its own brands. Our motto of life is "Happy Health" because we believe that one can be happy by being healthy. We want that none around the World is denied the right to acquire best in quality yet affordable medicines. The products we manufacture are exclusively catered to as per the specifics of our clients and are all-inclusive of approved drug formulations for Capsules, Tablets, Injections, Oral Liquids, Ointments and Lotions (External Application).

**Knox Life Sciences** is a fast growing organization with an ultra modern Pharmaceutical Manufacturing Facility setup as per the norms of G.M.P. and G.L.P. as per schedule-M and backed with management having vast experience in Pharmaceutical Manufacturing, Operations and Marketing.

## Customer Delight

Our customers and consumers deserve the best deal from us. We strive to consistently exceed the expectations of our customers and therefore delight them. We value the

suggestions & advice of our customers (Internal & External) and believe in their judgment for our progress and sustenance.

### Human Resource:

The fundamental strength of our organization is our Human Resource. This in turn facilitates the management of all other resources. We hire, develop & retain a diverse team not only to achieve the goals of our organization but also to further every team member's personal career goals. We are committed to improve the competence of our human resource before the hour, through training & development

## Adaptability:

We believe that every aspect of life is dynamic and that the organization needs to adopt & adapt to the changes in the marketplace, be it in terms of technology, methods, policies or management principles. We are always open to learn from others or from our past experiences.

## Social Responsibilities:

We endeavor to protect & enhance our natural environment. We believe that our success is rooted in our commitment to the society we serve. We actively support organizations and ventures working towards the betterment of society.
