About Us

Greetings from TDS Donkey Farm! Based in Gujarat's thriving city of Ahmedabad, we are a recognised provider and exporter of female donkeys and donkey milk of the highest calibre.

We specialise in offering premium donkey milk, which is famous for being exceptionally nutrient-rich. Milk from our carefully chosen donkeys is full of vitamins, minerals, and proteins. We make sure that our donkey milk complies with the strictest safety and hygienic requirements.

Uncompromising Quality Standards:

Unwavering quality standards are a top priority for us at work in all of our goods. We recognise how important it is to give our clients the best donkey milk and female donkeys on the market. We are steadfast in our dedication to quality control.

Exceptional Female Donkeys for Various Purposes:

We are proud to export top-notch female donkeys for a variety of uses. In order to satisfy the needs of our cherished clients, we carefully breed and rear our female donkeys. We provide you with healthy and well-maintained animals, whether you need female donkeys for farming, breeding, or other uses.

Ethical Practices:

We truly believe in operating our company in a responsible and caring manner. We place a high priority on the health and well-being of our donkeys, making sure they receive the best care, respect, and love possible. One of the cornerstones of our business operations is our dedication to ethical behaviour.
