## **About Us**

Established in the year 2002, we at **Shalom Sales** are one of the most prominent names in the domain of manufacturing, exporting and supplying an array of Gum Powders, Dextrin Powders, Pregel Starch, Modified Laundry Starch Powder, Modified Starch Powder, Low Moisture Starch etc. that are widely applied in various industries across the globe. Our products are highly appreciated in the market for their outstanding effectiveness, longer functionality, stable viscosity along with perfect formulation and customization.

Owing to a state of the art research, production, formulation and testing facility, we have garnered the trust of our patrons from far reaching regions like Asia, Africa, Middle East and Gulf. Our facilities are regularly updated and installed with latest equipment and tools to ensure that our products are standardised to meet the specific requirement of their respective industries. Our manufacturing facility also favours us in innovating more cost effective solutions in bulk quantity without compromising with the quality.

For this, we are supported by a stringently appointed team of product experts, researchers and quality controllers who are experienced in producing and formulating our entire range according to the set international standard and guidelines. In order to provide value added products in the market, we follow a rigorous and stringent quality check on multiple levels of formulation and production. Each of this team member work in close coordination and with dedication to achieve this specific goal of our organization.

Also available in various customized specifications, these products are produced with only pre tested raw material procured from reputable vendors in the market and packed by our professional to meet complete customer satisfaction. With the backing of a modernised infrastructure in Indore (Madhya Pradesh, India), we are able to accomplish bulk order delivery to each and every client all over the world.
