About Us

Established in 1985, we are pleased to introduce Kontakt Sales as supplier and trader representatives catering to a variety of industries like Acrylic emulsion binders, Paint Driers, Additives, Aromatic Chemicals, Pigments, Resins, Aluminium Paste, Glycols, Acrylic Emulsion Binder, Liquid Toluene, Sodium Pentachlorophenate Powder, and Sodium Hexametaphosphate Powder

Expertise

Kontakt Sales are champions of our delivery business. No matter whether it is market intelligence, product and application familiarity, internal systems, trade and industry awareness, or laws, We perform things in an immaculate way and hand them over to our team to make them learn and add to our efficiency and expertise. We strive to be the best in our business.

Innovation

Enabling innovation and developing a culture of modernism is important for improving customer contentment through fast and responsive changes to customer practice. Software, technology, and processes are devoted solely to insistently focusing on constant improvement. We go beyond logistics to bring the kind of value-added solutions designed to help you achieve a better industry standing.

We at Kontakt Sales understand the significance of constancy in your business, and it is quite possible that your end customer warrants quarterly costs. Therefore, we don't guess or take aim at short-term gains. Our cost of the sale is managed by our sales team and is purely based on our costs.
