# About us

**PKR EXPORTS** deals in a wide range of products and its management has got vast experience in the field of maintaining quality. The company operates with a motive to help people get quality products that are at par with national and International standards. You can contact PKR EXPORTS for getting premium quality agro products like fresh ginger, green cardamom, fresh garlic, etc., and construction materials such as hollow clay bricks, red clay bricks, clay tiles, parking tiles, clay jalis, etc.

PKR EXPORTS is a growing international trading organization, having its office in Tenkasi (Tamil Nadu). This independent firm was started by Mr. Kesavan Raja with the idea to link the real potential growers and manufacturers in remote parts of India and to get them benefited by selling their products to needy customers around the world.

## Quality Assurance

PKR EXPORTS procures products from competitive and efficient manufacturers and cultivators. Based on the strict quality criteria assessed by its professional team, the company selects its vendors. The products at the vendor's place are procured under the close supervision of the company's expert procuring team. Thus, you can expect only the best quality from PKR EXPORTS.

## Our Storage Unit

The company has a large and spacious storage facility where the procured products are stored in an organized manner. Special attention is paid to keeping the storage facility well-maintained and storing the products in good condition.

## Why PKR EXPORTS?

Some of the major factors that make PKR EXPORTS different from others in the market are:

- Its quality-oriented approach
- Its efficient and skilled professional team
- Its Prompt product deliveries
- Its competitive pricing structure
- Its honest trade practices
