We aim to become authentic Indian spice leaders globally. Spice Range Our spice range includes Turmeric and red chilli powders available in natural, savoury flavours and colours for the best taste. We also offer

About Us

Indian culinary market is fiercely competitive and has an immense business scope with changing market demands and customer preferences. The Indian spice market has undergone tremendous changes and is constantly growing. However, finding authentic spices that deliver flavour, colour, and appearance can be hard to find online.

Our company, **Sivaji Agro Exports** is a well-respectable and efficient manufacturer, exporter, supplier and trader of superior-quality Indian spices. Based in Visakhapatnam, we understand emerging trends and deliver world-class Indian spices to cater to our client's culinary needs. We aim to become authentic Indian spice leaders globally.

Spice Range

Our spice range includes Turmeric and red chilli powders available in natural, savoury flavours and colours for the best taste. We also offer a comprehensive range of seasoning in exceptional packaging to help cater to upcoming culinary industry needs and demands. Our qualified professionals ensure flawless flavour, purity, freshness and colour of our Indian spice range.

We are a client-centric enterprise and work hard to ensure food safety for our clients for maximum value addition. Our refined spice range is delivered on-time right to our customer doorstep. We also cater to bulk and urgent orders from food businesses at a competitive range. Our clientele list includes restaurants, eateries, fast food chains, etc.
