Our Vision

Our vision is to deliver significant and qualitative dehydrated fruits and Vegetables rich in nutrients to our customers.

Quality Proccess

Patekar Agro Food Products is having state of the art manufacturing facility equipped with most modern production lines at Pune – Maharashtra, India. High processing speed ensure maximum output without compromising on quality in shorter span of time, which is the need for perishable fruits and vegetables which are available for a short period of time. Our raw materials are sourced from selected farmers based on stringent quality parameters such as maturity, firmness, the uniformity of size and shape, the absence of defects, skin and flesh color.

Total Quality Management (TQM)

- We ensure highest quality standards throughout manufacturing processes by adopting Good Manufacturing Practices (GMP) in accordance with Food Safety Standards Certification (FSSC) for processing unit.
