**ULTRASONIC**  
Rat and Rodent Pest Repellent

# MULTI FUNCTIONAL ULTRASONIC PEST REPELLER

## Product Description

MODEL NO : F1-EI86HC

- No Any Harmful Chemicals
- No Traps & Glue pad
- 100% Eco Friendly
- Easy Use & Easy to Installation
- Made In INDIA Product
- Up to 1500 Square Feet Area Covered
- Device Life Durability 7 to 8 Year
- 24 x 7 Protection Against RATS
- Input Voltage : 100-240 AC 50 Hz
- Frequency: 20 Hz to 65 kHz
- Rodents Cover: 57 Types
- Power On/Off Switch & Fuse Protection
- Volume & Frequency Adjustable Control
- Inbuilt Power Protection Circuit
- Gives 100% result from Rodents problem

# Product Features

STRONG WAVE Ultrasound Rat Repellent Device : F1-EI86HC

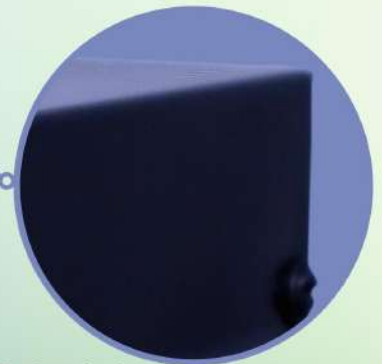

Power On/Off Switch

Frequency Transducer

Volume & Frequency Controllers

Body Material  
Metallic Steel

# PRODUCT FEATCHEERS

## Installation

- Table Top Module
- Easy To Installation
- Input Voltage 220V AC

## Technology

- This Technology is USA Technology
- Product is 100% Made in India.

## ECO Friendly

- No Chemical
- No Poison
- No Kill
- No Harmful

## NO Maintenance

- 1 Time purchase
- No Maintenance Cost
- Product lifespan and working capacity is 7-8 years.

## Benefits Of use Ultrasonic Pest Repeller

One Time Purchase

NO Any Pest Control AMC Charges

6 to 7 Year Product Life Durability

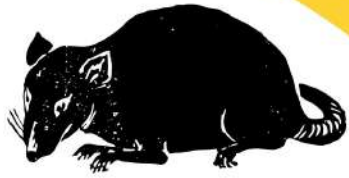

Easy to Use & No Side Effects

Low Electricity Consume

RAT

BAT

SQUIRREL

BIRD

REBBIT

# EFFECTIVE AGAINST
