Established in the year 2023, we at Primemac International are emerging as a reputed manufacturers, exporters and suppliers of premium grade agro products in the international market. Leveraging on our innovative technology, we are providing a range of quality products like Fresh Onion, Fresh Ginger, Fresh Lemon, Groundnut Seeds, Shelled Groundnuts, Cumin Seeds etc.

Our entire range is produced under the strict supervision of experienced farmers, skilled workforce and food experts who are well aware of the industry norms and related standards. To imbibe the best flavour, appearance, taste, nutrition and appeal in our products, we implement the most sophisticated methods without any harmful chemical.

This makes our products free from impurities and artificial colour while staying in line with the expectation of our clients. Based in Rajkot (Gujarat, India), we are backed by an ultra-modern infrastructure facility that helps us to keep the products in bulk without affecting its shelf life or quality. With this, we offer our products in a well-protected packaging material for added safety during transit.

Our company was founded and currently operated by Mr. Nilesh Meghani, who himself is endowed with great expertise of this domain. Due to his potential in countering any setback, customer oriented approach and commitment towards the domestic communities, we are gaining profound respect from all sides. Under his guidance, we promise that our customers will get only the best products, prices, customer services, delivery experience and dealings from our end.
