ABOUT US

Medcom Ventures

Founded by Mr. Deepanshu in the year 2020, Medcom Ventures has gained immense expertise as an exporters, suppliers and buying house of pharmaceutical products in the regional as well as global marketplaces. We are a leading name that deals in a wide range of Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Injections, Kamagra Jelly, Apcalis SX Oral Jelly, Fabispray Nasal Spray, Asthalin Inhaler, Budesal Respules, Cernos Gel etc.

Sourced from only the most reputed and trusted sources, our offered range is carefully manufactured according to the quality and safety standards of this industry. In order to furnish this, our vendors are supported by a highly innovative infrastructure facility that combines the power of cutting edge machines, testing tools, research equipment that leads to enhanced shelf life, desired efficacy, perfect composition and accuracy.

Thus, our entire range is met with excellent response across the world. We further provide a reliable and steady delivery services by keeping all the products in bulk at our spacious warehousing facility. Further, our offerings come with complete relevant information and user manual along with quality packaging material for added safety during transit.

Situated in Mumbai (Maharashtra, India), our company is professionally managed by our Founder Mr. Deepanshu, who holds years of industry knowledge and experience that is required to manage the company operations with precision. Under his constant guidance, we are driven to offer customizable packaging, quality assured products, prompt delivery, affordable prices and constant customer support
