# Company

Established in the year 2019, Flower Dairy is ranked amongst the most reputed names in the domain of supplying and trading a qualitative range of pure Dried Flowers that are extensively applied in numerous industries all across the nation. Operating from Kanpur (Uttar Pradesh, India), we cater to the emerging requirements of the customers by bringing forth only authentic Dried Aparajita Flowers, Dried Butterfly Pea Flowers, Dried Daisy Flowers, Dried Jasmine Flowers, Dried Red Rose Petals etc. at lowest price possible.

Our entire range is sourced from reliable manufacturers and vendors in the industry who are backed by sufficient facilities to accommodate the desired quality and quantity regularly. Associated with the foremost names, our company is evidently well supported to deliver bulk order quantity with full consideration to the specific requirement our customers.

To deliver our products in the simplest manner, we have a spacious storage and packaging unit that is well maintained and organized by our team of dexterous professionals. This assists us in efficiently managing our products by rigorously checking and supplying them within the stipulated time frame.

The foundation stone of our company was laid by Mr. Ankit Nishad, whose prolific leadership qualities and customer centric policies helped us to reach the apex of success in such a short time. Under his guidance, we have carved a niche in the market owing to the huge product range that we offer along with the best prices, delivery services, payment options, customizations and dealings.
