ABOUT US

YK Global Private Limited, established in 2016 and based in Delhi, is a prominent manufacturer, exporter, and importer of a wide range of automotive audio products and accessories. With a diverse product portfolio that includes Car Stereos, Home Amplifiers, Car Speakers, Car Accessories, and more, the company caters to the demands of both domestic and international markets.

The company prides itself on manufacturing products that exemplify premium quality while maintaining affordability. Their commitment to excellence has made their products highly sought after in the market. Customers value the company's dedication to delivering top-notch products that meet their expectations.

YK Global Private Limited has gained a substantial client base in the industry by ensuring timely delivery of their products. This has further enhanced their reputation as a reliable and customer-oriented business. Under the guidance of Yagit Kukreja, the Managing Director, the company has consistently strived to excel in this highly competitive market.

With a focus on continuous innovation and customer satisfaction by constantly enhancing their infrastructure capabilities, YK Global Private Limited is dedicated to providing cutting-edge automotive audio solutions. Their relentless pursuit of quality and their ability to adapt to changing market trends have positioned them as a trusted name in the industry.
