

2 WAY BIB COCK

Manufacturers,
Exporters &
Supplier

Pragati Polytech, a premier name in the realm of manufacturing, exporting, and supplying high-quality plastic plumbing solutions. Established in **2021** by the dynamic **Mr. Hem**, Pragati Polytech is headquartered in Ahmedabad, Gujarat. Since our inception, we have been at the forefront of providing a diverse range of innovative and reliable products that cater to various plumbing needs.

At Pragati Polytech, we take pride in offering a comprehensive range of products designed to meet the demands of modern plumbing systems. Our product portfolio includes bib cocks, plastic taps, plastic hose collars, plastic T cocks, plastic hand pumps, PVC pipe joiners, PVC foot valves, hose connectors, PPT cock taps, 1-inch CPVC ball valves, PVC ball valves, and sink cocks. Each product is meticulously crafted to ensure durability, efficiency, and compliance with industry standards.

Founder Mr. Hem's visionary leadership has been instrumental in shaping Pragati Polytech's identity as a reliable and innovative player in the plumbing industry. With a commitment to quality and a focus on customer satisfaction, he has led our team in creating products that not only meet but exceed expectations.

At Pragati Polytech, we understand the importance of reliable plumbing components in ensuring the smooth functioning of water systems. Our state-of-the-art manufacturing facility is equipped with advanced technology to produce precision-engineered products that stand the test of time. We adhere to stringent quality control measures, ensuring that each product leaving our facility meets the highest standards.

Our commitment to excellence extends beyond product quality. We pride ourselves on being a customer-centric company, striving to understand and meet the unique needs of our clients. Whether you are in need of robust industrial plumbing solutions or elegant and efficient fixtures for residential applications, Pragati Polytech has the perfect solution for you.
