

Founded in 2013 , TRIJUTI TECHNOLOGIES set its foot as an electrical supply and equipment trading and services company. Over the years, the company has earned a reputation for excellence and professionalism for continuously striving to meet - and even exceed - standards which set the climate for a sustainable business relationship with its clients.

ABOUT US

Founded in 2013, **TRIJUTI TECHNOLOGIES** set its foot as an electrical supply and equipment trading and services company. Over the years, the company has earned a reputation for excellence and professionalism for continuously striving to meet - and even exceed - standards which set the climate for a sustainable business relationship with its clients.

As an electrical solution specialist, we offer electrical power products ranging from transformers, switch gears, breakers, XLPE cables, panel boards, power meters, and switches. The company also offers control products such as variable frequency drive, soft starters, UPS, AVR, batteries, motors and even lighting fixtures.

Our team is composed of technically skilled and highly dedicated personnel working cohesively to promote value-added solutions with a competitive pricing structure to suit your needs.

We also engage in electrical product installations, testing and commissioning, preventive maintenance, automation, and energy saving solutions. Our commitment is to deliver outstanding results that will exceed your expectations.

The company partners with some of the biggest manufacturers in the electrical industry to ensure high-quality products. Schneider Electric, Danfoss, Asia Brown Boveri (ABB), Siemens, Tyco Electronics, Marathon Motors, General Electric Co., Eaton, and AuCom New Zealand are the trusted brands that we carry. Moreover, we continuously look for new products and enhance our services to serve our customers better.

We look forward to providing our services and products to your company. Rest assured that we live by our service commitment: Delivering Results, Exceeding Expectations.

VISION

TRIJUTI TECHNOLOGIES firmly believes that electricity is the cornerstone of a high-quality life. There will be a never-ending need for products and services to harness and maximize its full potential and use. In doing so, we will be the best-in-class provider of top-notch electrical products and services.

We will be recognized by:

Our Customers

As a dependable and reliable distributor and seller of electrical power and control products and services

As a proactive company capable of competing in all facets of the marketplace through constant improvement and innovation

As a family-owned business that satisfies customers with easy and hassle-free transactions

Our Employees

As an employer who values the dedication and commitment of its employees

As an innovative and technologically upfront company that ensures employee competence and advancement

As an employer who guarantees a safe working environment

As an employer who engages in training and certification programs to help employees progress in their personal and professional growth

Our Suppliers

As a creative, experienced and top seller of electrical products in the industry

As a company who appreciates and recognizes that sustainable partnerships are essential to the company's success

Our Industry

As a partner that promotes collaboration by engaging in trade associations

As a business that makes a difference to the quality of life through the impact of excellent products, services, and solutions

MISSION

TRIJUTI TECHNOLOGIES is committed to providing the highest quality products and services exceeding our client's expectations. We shall continue to expand in equipment and facilities, and engage in training and certification programs to further serve customers with utmost excellence and professionalism.

As we carry out our mission, we shall be guided by values of integrity, reliability, commitment, and collaboration.

Our commitment to service is to:

Delivering Results, Exceeding Expectations
