DR Darry Industries Pvt. Ltd was established in the year 2022 in Haryana, India. We are a supplier and trader of pine wood blocks and Ashwagandha powder. Quality Assurance We aim to deliver the best quality under our organization. Our quality managers carry enormous experience and have been instrumental in the progress and stature of the company.

We are committed towards quality and provide clients with superior grade products. Each of the products is well-tested to ensure its compliance with international standards. A technically qualified inspection team stringently tests the products on various parameters. Further, our professionals also ensure that the procured raw material is of high quality so that no defective consignments are delivered to clients.

Our Infrastructure

Our company has developed a state-of-the-art infrastructural unit where all of our occupational activities are carried out smoothly. The unit is fully backed with hi-tech technology. As it is spread over a wide area of land, we have divided it properly into various departments to carry out our specialized operations flawlessly. In addition to this, we regularly upgrade our machines to keep our production process in line with modern trends.

Our Team

We have appointed a talented group of professionals. Our experts work hard to know the requirements of patrons. Together with this, our team members are in constant dialogue with the clients; which help them cater to their exact needs.
