We are delighted to introduce ourselves as Mr. Ramesh and Mr. Himanshu, the Managing Directors of CILESI, an innovative company headquartered in the vibrant city of Surat, Gujarat. Since our inception in 2021, we have established ourselves as a prominent manufacturer and trader, specializing in the creation and supply of transformative surface solutions.

At CILESI, we are driven by a passion for aesthetics and a commitment to quality. Our diverse portfolio encompasses a range of exquisite products, including Wall Texture Coating, Metal Texture Coating, and Monocrete Wood Texture Coating. These offerings reflect our dedication to enhancing the visual and tactile aspects of architectural spaces, both indoors and outdoors.

Our Wall Texture Coatings are a marriage of art and technology, elevating plain walls into stunning canvases of texture and colour. The Metal Texture Coatings we offer redefine the possibilities of metallic finishes, imbuing surfaces with elegance and allure. Additionally, our Monocrete Wood Texture Coatings replicate the warmth and beauty of natural wood, imparting a touch of timeless charm to any setting.

CILESI stands as a testament to innovation and craftsmanship. Our manufacturing processes blend the latest advancements with meticulous attention to detail, resulting in products that exceed expectations. We take pride in our commitment to environmental sustainability, utilizing eco-friendly materials and practices that align with our vision for a greener future.

As we embark on this exciting journey, we invite you to explore the world of CILESI and witness the transformational power of our surface solutions. Join us in shaping spaces that inspire, captivate, and endure.
