

ORIGIN OF WATER, COW AND COW BASED AGRICULTURE REVOLUTION - JAMKA

Gau-Dharamrut Plant

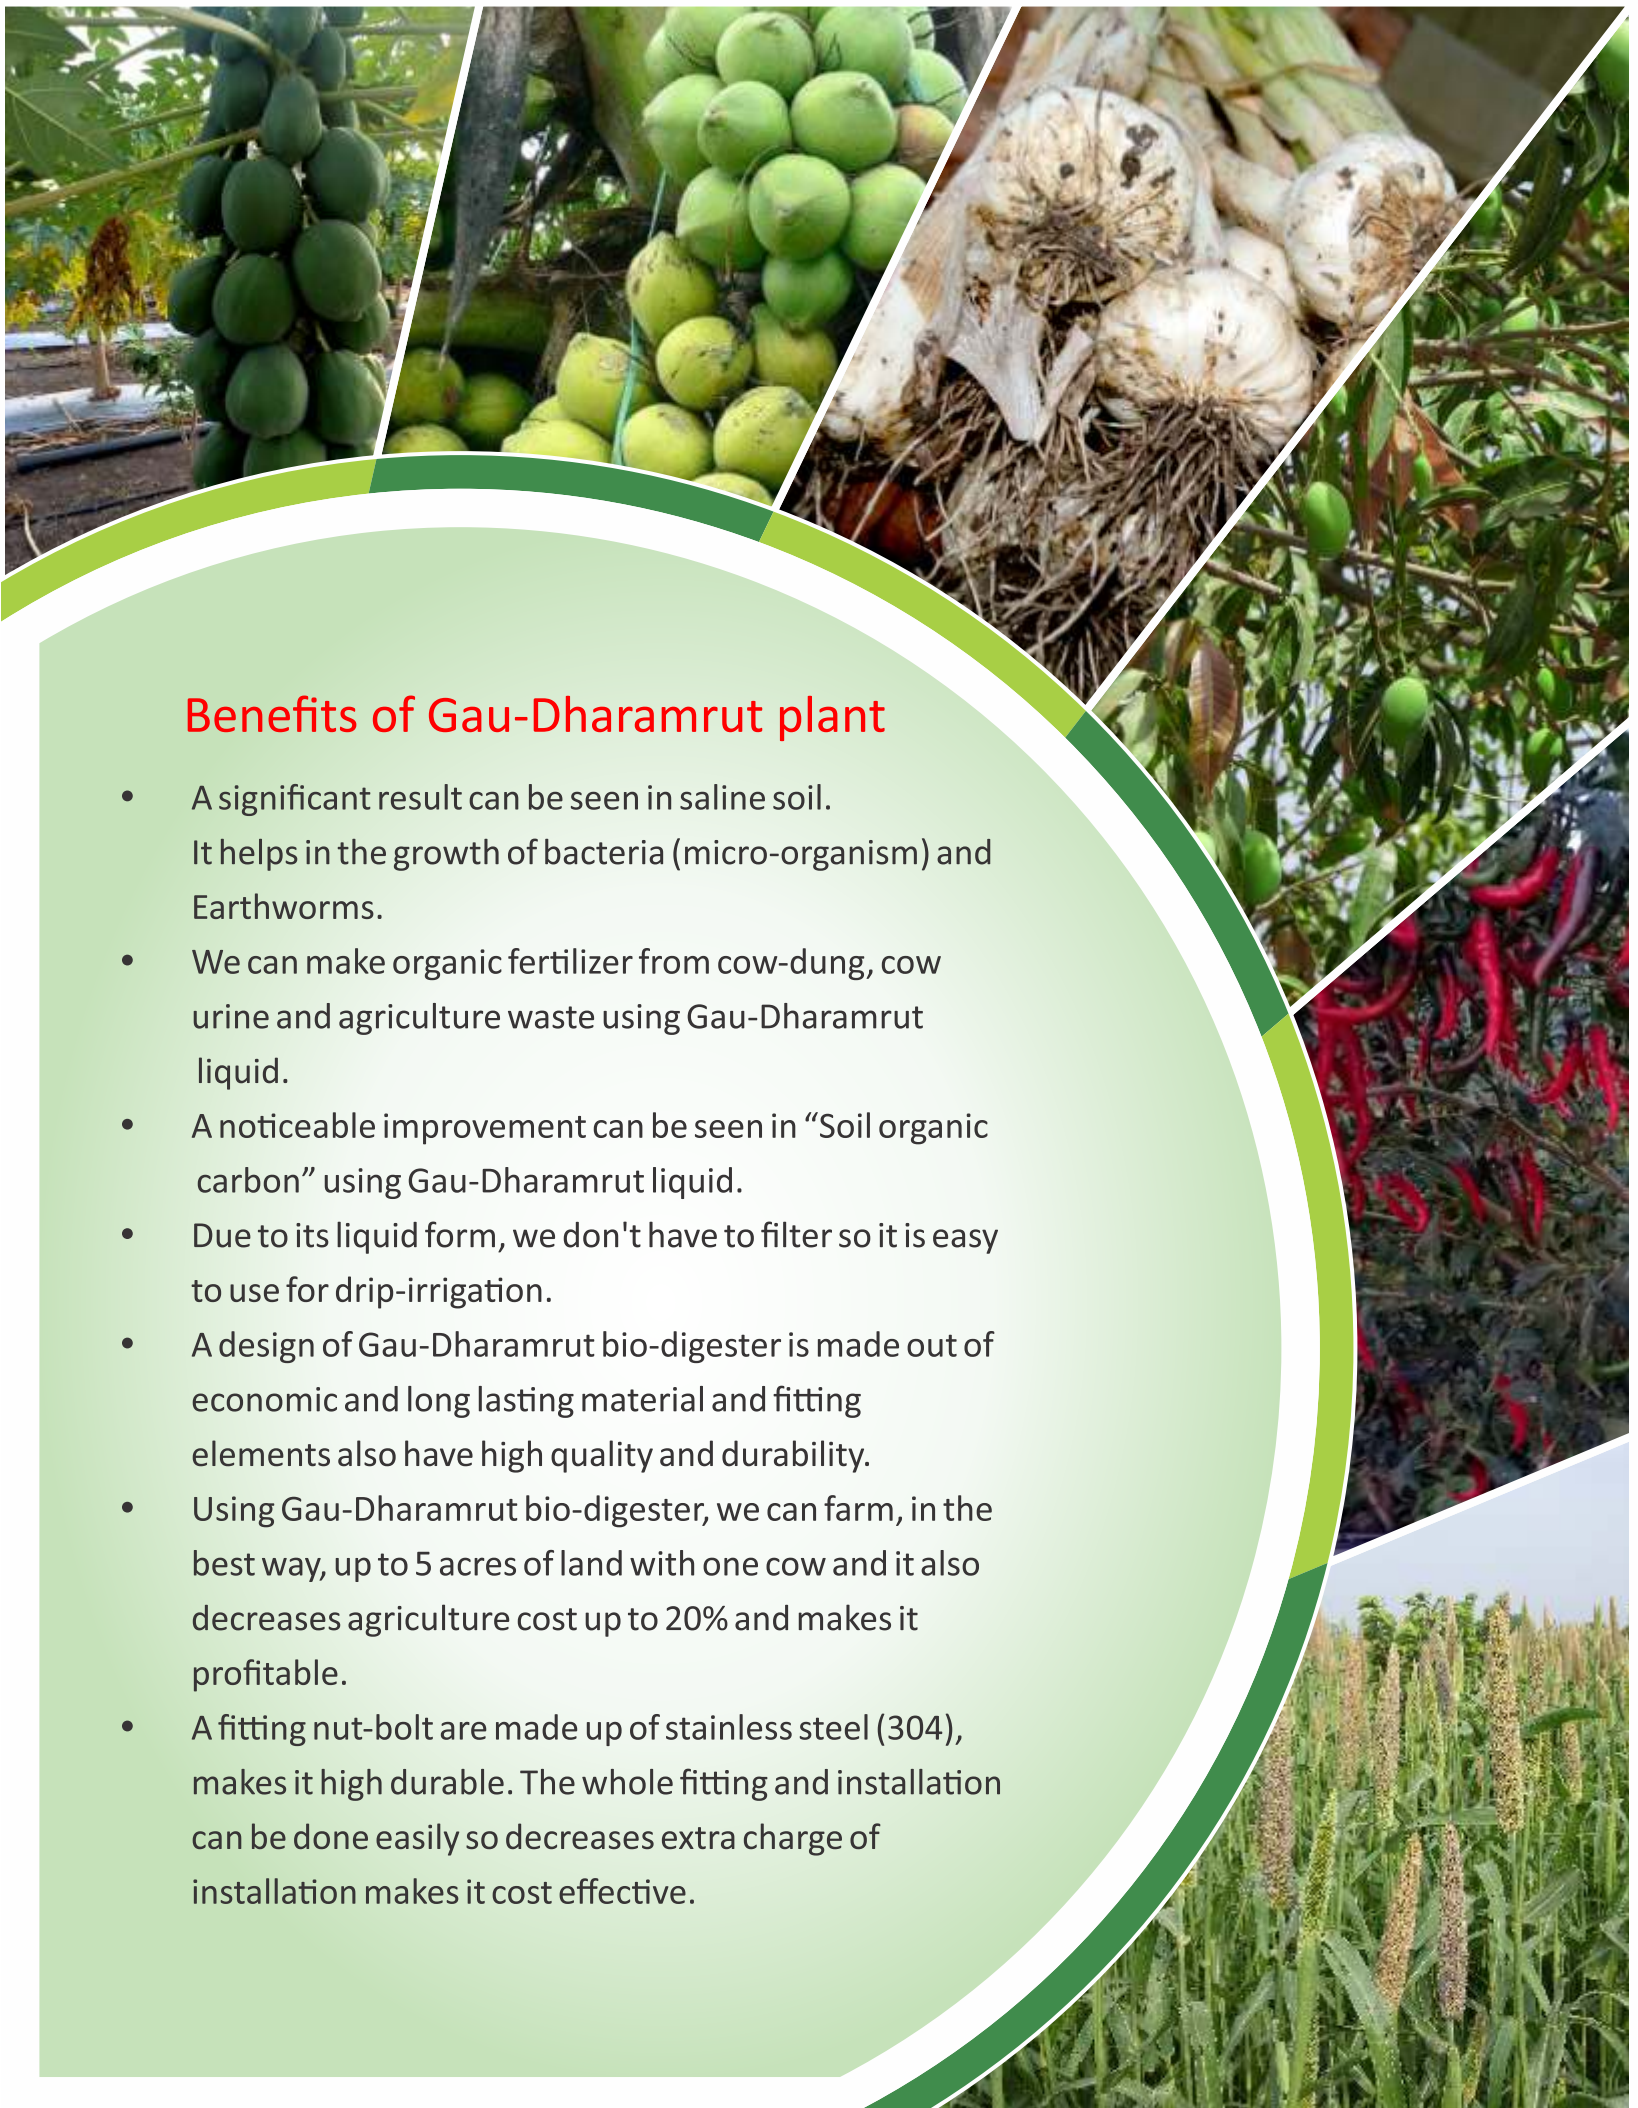

Bio-Digester

Benefits of Gau-Dharamrut plant

- After the usage of Gau-Dharamrut, a soil can be freed from the dangers of Agro-Chemicals.
- As of liquid form, Gau-Dharamrut increases soil friendly bacteria. Due to bacterial growth more nutrition is available to the plants.
- We can see a significant change in Plant growth, its white root development, leaf size and health of a plant due to improvement in soil health.
- Due to more photosynthesis more carbohydrates are available to a plant which improves yield.
- Products taken, from usage of Gau-Dharamrut bio-digester are chemical free and makes human life healthier. It also makes nature and environment pollution free.
- It helps to control pests and diseases into plant naturally.
- Usage of Gau-Dharamrut liquid prevents soil salinization and balances pH of soil, so that soil becomes porous.
- Due to prevention of soil salinization, more water is available to plant's root which saves water from excessiveness and gives more yield from less cost & effort.

Benefits of Gau-Dharamrut plant

- A significant result can be seen in saline soil. It helps in the growth of bacteria (micro-organism) and Earthworms.
- We can make organic fertilizer from cow-dung, cow urine and agriculture waste using Gau-Dharamrut liquid.
- A noticeable improvement can be seen in "Soil organic carbon" using Gau-Dharamrut liquid.
- Due to its liquid form, we don't have to filter so it is easy to use for drip-irrigation.
- A design of Gau-Dharamrut bio-digester is made out of economic and long lasting material and fitting elements also have high quality and durability.
- Using Gau-Dharamrut bio-digester, we can farm, in the best way, up to 5 acres of land with one cow and it also decreases agriculture cost up to 20% and makes it profitable.
- A fitting nut-bolt are made up of stainless steel (304), makes it high durable. The whole fitting and installation can be done easily so decreases extra charge of installation makes it cost effective.

Message

NATURE HAS GIVEN US THE COW AS A CREATURE FROM WHOSE MILK THE TRADITION OF KEEPING HUMAN CULTURE AS WELL AS FROM COW DUNG AND COW URINE AGRICULTURAL CULTURE HAS BEEN RUNNING SINCE LORD SHREE KRISHNA-BALARAM. TO MAKE AGRICULTURE GREAT, LORD SHREE KRISHNA KEPT COWS AND AN ELDER BROTHER BALARAM PLOUGHED FARM THOUSANDS YEARS AGO AND GAVE THE MESSAGE OF "KARM DHARM NITI" (KARMA, RELIGION AND POLICY).

INDIAN CULTURE IS GREAT ALL OVER THE WORLD. THE PEOPLE WHO LIVE IN IT ARE ALSO GREAT. THE NATION AND THE FARMERS WORKING IN THE FIELD OF AGRICULTURE, THE AGRICULTURISTS, THE SAGES OF AGRICULTURE WHO HAVE RECEIVED THE TITLE OF 'JAGAT NO TAAT' (FATHER OF WORLD). FROM SUCH PEOPLE, THE COUNTRY AND THE COUNTRY'S AGRICULTURAL TRANSACTIONS ARE PRACTICED. IN INDIAN CULTURE, FARMING LIFE STYLE SYSTEM WAS ALIVE THROUGH INHERITANCE.

DESPITE OF MANY RESEARCHES IN AGRICULTURE, AGRICULTURE IS STILL ILL TODAY AND BECOMES EXPENSIVE, UNPRODUCTIVE. THE ROOT/MAIN CAUSE OF WHICH IS THE EXCESSIVE USE OF CHEMICAL PESTICIDES. IGNORANCE AND ILLITERACY HAVE CAUSED HUGE LOSSES IN THE AGRICULTURAL SECTOR.

O SONS OF "MAA BHARTI", LET'S RECOGNIZE HUMAN LIFE AND ITS VALUE BY BECOMING NATIONAL PATRIOTS AND NATIONAL PROTECTORS. LET'S SECURE OUR COUNTRY BY PROTECTING ITS NATURE AND ENVIRONMENT, WHICH IS OUR NATURAL DUTY AS HUMAN BEINGS. SO LET'S ALL COME TOGETHER TO PROTECT COWS, WATER, LAND, NATURE, ENVIRONMENT, LET'S TAKE AN OATH TO PROTECT OUR COUNTRY AND BECOME SELF-AWARE AND KEEP OUR MOTHER INDIA AT THE HIGHEST POSITION IN THE WORLD.

LET US REMEMBER OUR ANCIENT LIFESTYLE, AGRICULTURAL TRADITION, LIFE TRADITION OF THOUSANDS YEARS AND UNDERSTAND ITS VALUES AND RETURN TO THAT LIFE STYLE.

LET'S EMBRACE TRADITION, HERITAGE, CULTURE IN OUR LIFE THROUGH PUBLIC AWARENESS TO PROVIDE STRENGTH AND PROSPERITY TO MAKE THE NATION GREAT. DO POISON AND CHEMICAL FREE FARMING THROUGH COW-BASED AGRICULTURE. BY LIVING A POISON FREE LIFE, WE GIFT OUR GENERATION AND POSTERITY AS AN EXCELLENT LEGACY AND MAINTAIN THE NATURAL CYCLE OF NATURE'S BIRTH AND DEATH.

THE GOVERNOR OF GUJARAT, MR. AACHARY DEVVRATJI AND HIS EXCELLENCY NARENDRA MODIJI, A PRIDE OF THE NATION ARE MAKING TIRELESS EFFORTS TO ENSURE THAT THE PEOPLE OF THIS COUNTRY GET POISON FREE LIFE AND FOOD, INSPIRING MILLIONS OF FARMERS TO COME BACK TO TRADITIONAL FARMING BY VARIOUS PROJECTS AND SCHEMES. SO, LET'S JOIN THIS CAMPAIGN TO MAKE OUR COUNTRY GREAT ONCE AGAIN.

GAU MATA KI JAI – BHARAT MATA KI JAI – PRAKRUTI MATA KI JAI.

PRANAM
PARSHOTTAM BHAI SIDPARA
