About Us

Shree Hari Metal takes immense pride in being a renowned exporter and supplier of high-quality Brass Hardware Items, Copper Hardware Items, Aluminum Hardware Items, and Cable Glands. Our company, founded by **Mr. Sanghani** in the year **2018**, is based in the vibrant city of Jamnagar, Gujarat. With a commitment to excellence and customer satisfaction, we have emerged as a trusted name in the industry.

Based in **Jamnagar, Gujarat**, our company is situated in one of India's prominent industrial hubs for metal products. Our strategic location allows us to efficiently handle manufacturing, sourcing, and shipping, ensuring timely deliveries to customers across the globe.

As exporters, we take pride in reaching out to clients worldwide and delivering our premium hardware items and cable glands to various industries. Our commitment to quality and reliable service has garnered us a loyal customer base in both domestic and international markets.

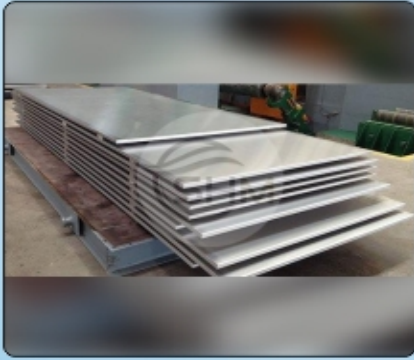

Quality Assurance:

Quality is at the heart of our operations. We understand the importance of durable and reliable hardware items in various applications. To ensure the highest standards, we source our materials from trusted suppliers and employ skilled artisans to manufacture our products. Each item undergoes stringent quality checks before being delivered to our customers.

Customer-Centric Approach:

At Shree Hari Metal, our customers are our priority. We are dedicated to providing exceptional service and high-quality products that meet your specific requirements. Whether you need hardware items for industrial use, construction, or general applications, our knowledgeable team is here to assist you in finding the perfect solutions.
