Bimar Resources is an established global trading and distribution company founded in 2010 and headquartered in Malaysia. With over a decade of industry experience, the company has developed a strong reputation for reliability, quality assurance, and efficient global supply chain management.

Operating as an Exporter, Supplier, and Distributor, Bimar Resources serves clients worldwide, catering to wholesalers, industrial buyers, food manufacturers, and retail distributors. Our diverse product portfolio includes Edible Oils, Industrial Oils, Grains & Cereals, Oil Seeds, Nuts & Kernels, Whole Spices, Chemical Products, Coffee & Cocoa Products, Sugar Products, Red Bull Energy Drink, Corn Starch Powder, and Urea 46 Fertilizer.

We work closely with reputable manufacturers and producers to ensure that all products meet international quality standards and regulatory requirements. Our procurement and distribution processes are supported by structured quality control systems, secure packaging solutions, and efficient logistics coordination to ensure timely global deliveries.

Bimar Resources emphasizes transparency, competitive pricing, and long-term business partnerships. Our extensive sourcing network and strategic location in Malaysia enable us to efficiently manage cross-border trade operations while maintaining consistent product availability.

Driven by professionalism, integrity, and customer satisfaction, Bimar Resources is committed to delivering dependable products and supply solutions that support diverse industries worldwide. We continuously strive to expand our global footprint while maintaining high standards of quality, compliance, and operational excellence.
