About Us

Welcome to DH Engineering Works, a distinguished manufacturer, supplier, and service provider based in the picturesque city of Udaipur, Rajasthan. Established in 2018, we have rapidly emerged as a reliable name in the industry, specializing in a wide range of products and services related to electric control panels and fabrication.

At DH Engineering Works, we take immense pride in offering a comprehensive array of products that cater to diverse industrial needs. Our product range includes Electric Control Panels, Electric Control Distribution Boxes, Control Panels, Panel Boxes, Electrical Assembly Panels, Power Distribution Boards, Changeover Switches, Designer Iron Almirah, LT Distribution Boxes, Mini Feeder Pillars, Changeover Panel Switches, and Meter Panel Boards.

Beyond manufacturing, DH Engineering Works is also renowned for its expert fabrication services. We provide Electric Control Panel Fabrication Service, Power Control Panel Fabrication Service, Sheet Metal Control Panel Fabrication Service, and Industrial Control Panel Fabrication Service. Our fabrication services are known for their precision, efficiency, and cost-effectiveness, making us the preferred choice for various businesses across industries.

We place great emphasis on quality assurance, adhering to rigorous testing procedures to deliver flawless products and services. Our commitment to excellence, timely delivery, and competitive pricing has earned us the trust and satisfaction of our esteemed clients.

At DH Engineering Works, we envision a future of sustained growth, innovation, and customer-centricity. We are dedicated to forging lasting partnerships and creating solutions that empower industries and contribute to the nation's progress. Thank you for considering DH Engineering Works as your trusted partner in electrical solutions and fabrication services.
