ABOUT US

LiKRAFT Adopting Future **Shomi Libatt Pvt. Ltd.**

Welcome to Shomi Libatt Pvt. Ltd., your trusted partner in innovative energy solutions. Established in 2019 by the visionary Mr. Kapil Arora, our company is based in the vibrant city of Sonipat, Haryana. Shomi Libatt Pvt. Ltd. has swiftly emerged as a leading manufacturer, supplier, and wholesaler in the field of energy storage and battery technology, catering to a diverse range of industries and applications.

● Our Commitment

At Shomi Libatt Pvt. Ltd., our core commitment revolves around harnessing cutting-edge technology to provide sustainable and reliable power solutions. With a focus on Lithium Ion Phosphate Batteries, we have revolutionized the way energy is stored and utilized. These high-performance batteries have found applications in various sectors, including electric vehicles, solar energy storage, and medical devices.

● Extensive Range

Our extensive product range includes Three Wheeler Batteries and Two Wheeler Batteries, designed to meet the unique energy demands of modern transportation. We also offer Lithium Battery Cells that power the future of electronics, ensuring longevity and efficiency. Our Lithium Ion Solar Batteries enable homes and businesses to harness clean energy efficiently and reliably.

● Sustainable and Eco-friendly

As the world embraces electric mobility, Shomi Libatt Pvt. Ltd. plays a pivotal role with its Electric Vehicle Batteries, contributing to a sustainable and eco-friendly transportation ecosystem. To ensure the longevity and optimal performance of our batteries, we provide Battery Chargers tailored to our products, ensuring hassle-free and safe recharging.

For industries that rely on conventional power sources, we offer Likraft Lead Acid Batteries, renowned for their durability and resilience. Additionally, our Energy Storage System Containers and Racks are tailored for businesses seeking scalable and customizable energy storage solutions.

● Customer Satisfaction

Our Likraft Home Energy Storage Cyberwall integrates seamlessly into homes, offering a smart and efficient way to manage energy consumption. Furthermore, we cater to the specific needs of the medical sector with our Medical Lithium Storage solutions, ensuring the integrity and safety of vital medical equipment.
