Kera Palm Creations

ABOUT US

Kera Palm Creations was inceptioned in the year 2003 with a sole motive to reform the Bamboo and Coconut shell handicraft products market. The exceptional creativity employed in coconut shell and Bamboo crafts brings out their captivating beauty. The seasoned craftsmanship and the skills of the creator are beautifully presented by the elegance and simplicity of their design. This is an art close to nature, the raw coconut shells are completely eco-friendly and this makes the coconut shell crafts a perfect gift for our loved ones!

We bring forth a large range of beautiful products that are a perfect blend of innovation and creativity, and over the years, we have acquired a reputation of reliability and quality.. At Kera Palm, we specialize in the manufacture of Natural Coconut Shell Cups, grape vine designs, carved bamboo cups etc. The extensive experience and knowledge of our CEO, Mr. Ratnappan. T and his diligent efforts has made us what we are today – a name to reckon with in Coconut Shell Mug Manufacturing and exporting in India. Today, we have also firmly positioned ourselves as one of the distinguished Coconut Shell Bird Nest Exporters in India.

QUALITY :

Quality is the corner stone of any organization. Stringent quality tests are conducted at every level of production to maintain the quality of the Handicraft Products. Our talented quality control executives keep a close watch on the production to assure impeccable Bamboo & Coconut Handicraft Products. No one can help but admire the beauty and quality of our products.

CLIENTS :

We have garnered a long list of reputed clients based in India, U.S.A., U.K., Poland, Canada and various other countries based on the quality of the products. We are approved by Local Government Bodies on the grounds of our work ethics like integrity and transparency. Last but not the least; our prime motto is to create reliance and credibility among our esteemed clients. Total client satisfaction is our main concern at Kera Palm Creations. We provide all our global clients with a wide range of coconut & Bamboo based products. Further, we strive to collaborate with other enterprising buyers of the world.

INFRASTRUCTURE :

A strong infrastructural base has made Kera Palm grow in leaps and bounds in the Bamboo Handicraft Products market. Our robust infrastructure is divided into various sections like designing, production, quality testing, R & D, GMP and various other sectors. The very latest technology machines are employed here and our coconut shell products are prepared from the fresh coconuts that are sourced from the well reckoned vendors. High utility, excellent performance and durability are some of the salient features of our coconut shell products.

TEAM :

Our skilled team of creative professionals forms the strength of our organization as they are well versed with every aspect of the manufacturing of these Handicraft Products. This has helped us in providing innovative products to the market.
