About Us

Founded in 2011, Nashik Valley stands as a prominent manufacturer, supplier, exporter, and trader based in the fertile region of Nashik, Maharashtra. Under the visionary leadership of Mr. Janardhan Gangadhar Kumbharde, the founder of the company, Nashik Valley has become synonymous with premium quality agricultural products, showcasing the bounty of the region.

Our diverse product portfolio encompasses a range of offerings, including Sauces & Ketchup, Fresh Vegetables, Fresh Fruits, Raisins, Onion Powder, and White Vinegar. Each product is sourced and curated with a commitment to excellence, reflecting the natural richness and quality associated with Nashik's agricultural abundance.

As a supplier and exporter, Nashik Valley takes pride in delivering high-quality products that meet international standards. Our Fresh Vegetables and Fresh Fruits are carefully selected to ensure optimal freshness and nutritional value, while our Raisins are a testament to the region's expertise in dried fruits.

The company's commitment to quality extends to our range of Sauces & Ketchup, each crafted to perfection to enhance culinary experiences. Additionally, Nashik Valley offers Onion Powder, providing a convenient and flavourful solution for various culinary applications.

Nashik Valley's success is deeply rooted in ethical business practices, customer satisfaction, and a dedication to delivering products that embody the essence of Nashik's agricultural heritage. The founder, Mr. Gangadhar Kumbharde, continues to guide the company towards new heights, leveraging his experience and vision to navigate the dynamic landscape of the agricultural and food industry.

Join us in savouring the natural goodness and richness of Nashik Valley's agricultural offerings. Experience a commitment to quality and excellence that defines our legacy in the industry.
