NATURE OF BUSINESS

Supplier & Trader

DK Trading Company is a prominent player in the plastic scrap industry, specializing in the sourcing, processing, and supply of high-quality recyclable plastic materials. Headquartered in Ghaziabad, India, we cater to a wide spectrum of industries by offering sustainable solutions in plastic recycling.

Our product portfolio includes a variety of recyclable plastics such as HDPE, LDPE, PET, PVC, and PP, sourced responsibly and processed with precision to meet industry standards. With a robust network of trusted suppliers and long-standing relationships with clients, we ensure consistent supply, competitive pricing, and timely deliveries across regions.

At DK Trading Company, sustainability is more than a goal—it's a guiding principle. Our operations are designed to support India's circular economy by minimizing plastic waste and maximizing resource recovery. We are committed to ethical business practices, environmental responsibility, and operational transparency.

Whether you're a manufacturer, recycler, or industrial buyer, DK Trading Company serves as a reliable partner for your plastic scrap requirements. Our focus on quality control, customer satisfaction, and eco-friendly practices has earned us a solid reputation in the recycling ecosystem.

We continue to grow with a vision to become a leading name in global plastic scrap trading, contributing meaningfully to a cleaner and greener planet.
