At **Attri Tech Machines Pvt. Ltd.**, established in **2005** by **Mr. Kuldip Attri**, we are driven by a singular mission: to be your one-stop shop for high-precision, customized parts and components. Located in **Ghaziabad, Uttar Pradesh**, we have carved a niche in exceeding expectations across diverse industries.

Our vision is to be a leading manufacturer, wholesaler, and supplier, renowned for unparalleled quality, unwavering reliability, and exceptional customer service. We achieve this by remaining at the forefront of technological advancements in CNC machining, EDM wire cutting, and various other processes. Our state-of-the-art equipment, coupled with a team of highly skilled engineers and machinists, allows us to transform your unique requirements into reality.

At **Attri Tech Machines**, our core values guide everything we do. We prioritize:

- ✓ **Precision:** Accuracy is paramount. We understand that even the slightest deviation can impact your project's success. That's why we employ rigorous quality control measures at every stage of production.
- ✓ **Customization:** Every project is unique, and we believe in tailored solutions. From intricate pneumatic parts to customized automotive throttle shafts, we have the expertise to bring your vision to life.
- ✓ **Reliability:** We understand that deadlines matter. Our commitment to timely deliveries ensures you can keep your projects on track.
- ✓ **Customer Focus:** Building strong partnerships is our priority. We take the time to understand your specific needs and provide clear communication throughout the process.
