Our state-of-the-art manufacturing facility adheres to international net manufacturing standards, ensuring that our products consistently meet high-quality standards.

ABOUT US

Tamil Malai Fishing Net

Tamil Malai Fishing Net, located in the scenic coastal town of Kanyakumari, Tamil Nadu, has been a trusted name in the fishing net industry since its establishment in 2002. Our company is deeply rooted in the values of Quality, Reliability, and Customer Satisfaction, which serve as the cornerstones of our business philosophy.

Quality Assurance is at the heart of our operations. We utilize premium, 100% virgin nylon (polyamide-6) to meticulously craft our fishing nets. Each stage of the manufacturing process undergoes rigorous quality checks to ensure consistency and excellence. Our commitment to delivering top-notch products leads us to conduct stringent quality tests that adhere to international standards before every shipment. We understand that maintaining consistent product quality requires not only advanced machinery but also a profound understanding of environmental factors like seasons and humidity, which we integrate into our manufacturing process.

The Advantages of TAMILMALAI Fishnets are many, including firm knots, uniform mesh formation, a dedicated and skilled workforce, modern Japanese machinery, compliance with international standards, eco-friendliness, competitive pricing, and on-time delivery.

Our state-of-the-art manufacturing facility adheres to international net manufacturing standards, ensuring that our products consistently meet high-quality standards. Regular maintenance schedules minimize downtime and maximize the quality of our nets.

Tamil Malai Fishing Net offers a comprehensive product profile tailored to diverse fishing needs, featuring Surface Gil nets, Mid-Water Gil nets, Bottom Gil nets, Trawl nets, Purse seines, and Share seines. We provide customization options that encompass code, mesh size, mesh depth, knots, color, and material, catering to the unique requirements of our valued customers.

Choose TAMILMALAI Fishnets for our strong infrastructure, skilled workforce, reliable and timely deliveries, high tenacity nylon yarn guaranteeing net longevity, meticulous net length, and depth maintenance as per customer specifications. Our brand, TAMILMALAI, enjoys a premium reputation in the Indian market.

For inquiries or business collaborations, please do not hesitate to reach out to us, and experience the excellence and reliability that Tamil Malai Fishing Net brings to the fishing industry. Your satisfaction is our commitment.
