About Us

Since its inception in 1995, National Enterprise has been a prominent figure in the realm of industrial Distributor and Trader, catering to the diverse needs of clients with a comprehensive range of products. Founded by Mr. Yusuf Bhanpurawala, our journey began with a vision to provide quality tools and equipment to businesses and individuals across various sectors.

Headquartered in the bustling city of Mumbai, Maharashtra, our company has emerged as a trusted name synonymous with reliability and excellence. Over the years, we have expanded our product portfolio to encompass a wide array of essential tools and accessories, catering to industries ranging from construction and manufacturing to automotive and beyond.

We offer a comprehensive range of products to meet all your tooling needs. From essential hand tools like drill bits, screwdrivers, and wrenches, to more specialized equipment like hole saw cutting machines and marble cutters, we have everything you need to get the job done right. We also carry a wide variety of cutting wheels, grinding wheels, and abrasives to ensure you have the perfect tool for every material.

At National Enterprise, we understand that quality matters. That's why we source our products from reputable brands like Bosch, Dewalt, Stanley, and Taparia. We are committed to providing our customers with durable, long-lasting tools that can handle even the most demanding tasks.

Our knowledgeable staff is always happy to assist you in finding the right tool for your specific needs. Whether you're a professional contractor or a weekend DIYer, we can help you make an informed decision. We also offer competitive prices and excellent customer service to ensure a positive shopping experience.
