ABOUT Us

J S Elevators, headquartered in the vibrant city of Hyderabad, Telangana, was established in 2022 under the visionary leadership of Mr. Mahesh Bhoi, the Founder, and Mr. Darshan, the Owner. This dynamic company specializes in the manufacturing of Industrial Lifts, Industrial Elevators, and Stainless Steel Glass Elevator Cabins, offering innovative and efficient vertical transportation solutions to various industries.

The core strength of J S Elevators lies in its commitment to providing robust and reliable industrial elevators and lifts. These products are engineered to meet the demanding needs of businesses and industrial facilities, ensuring the safe and seamless movement of people and goods within the premises. The company's Stainless Steel Glass Elevator Cabins, in particular, add a touch of modernity and sophistication to the industrial and commercial spaces they serve.

In addition to manufacturing, J S Elevators also offers Elevator Maintenance Services. This service underscores the company's dedication to ensuring the continued functionality and safety of their products. Regular maintenance and servicing are crucial for elevator and lift systems to operate at their best, and J S Elevators is well-equipped to provide comprehensive support in this regard.

With a focus on quality, innovation, and customer satisfaction, J S Elevators has rapidly made a name for itself in the vertical transportation industry. Their products and services are designed to enhance the efficiency and safety of industrial operations while adhering to the highest industry standards.

Under the guidance of Mr. Mahesh Bhoi and the ownership of Mr. Darshan, J S Elevators is dedicated to delivering cutting-edge solutions and impeccable service, making them a trusted partner for industries in need of superior vertical transportation solutions in Hyderabad and beyond.
