About Us

BHAGYANAGAR MAGNESIUM
TURN KEY LIGHT WEIGHTING SOLUTIONS USING MAGNESIUM ALLOYS

Bhagyanagar Magnesium Pvt Ltd, based in Secunderabad, Telangana, is a dynamic company that has been in operation since 2023. We specialize in manufacturing, trading, and wholesaling a wide range of products, including Die Casting, CI Casting, and Welding Services. Our journey began with a visionary mission to cater to the lightweighting needs of customers in the automotive, space, aviation, defense, and industrial sectors on a global scale.

Promoted by the esteemed Surana group, a conglomerate with a remarkable industrial legacy spanning over 40 years and a staggering USD 300 million in revenue, we have the backing of a strong and successful heritage. This heritage is a testament to our commitment to excellence and our unwavering dedication to providing top-notch products and services.

At Bhagyanagar Magnesium Pvt Ltd, we take pride in our in-house expertise in magnesium processing, which we've gleaned from extensive experience in the aerospace, defense, and automotive industries. Our dedicated team, boasting over 50 man-years of rich experience, is well-versed in the intricacies of complex magnesium processing activities. This ensures that our customers receive the highest quality and precision in every product we offer.

● Vision

Our vision is clear and ambitious: we aim to revolutionize all modes of mobility, be it on land, in water, through air, in space, or enhancing the human experience. We aspire to achieve this by developing innovative lightweight components and products using magnesium-based alloys. By doing so, we seek to significantly reduce fuel and energy consumption, making a meaningful contribution to a sustainable and eco-friendly future.

● Mission

Our mission is to stand among the top 3 global players in the supply of magnesium products and components within the next decade. We are committed to relentlessly pursuing excellence and innovation, delivering outstanding value to our customers, and making a substantial impact on the industries we serve. We are dedicated to achieving this mission through unwavering commitment, integrity, and a relentless pursuit of excellence.
