

RAAGHVI SALT

REFINERY PRIVATE LIMITED

Raaghvi Salt Refinery Private Limited, based in Jaipur, Rajasthan, is a leading manufacturer, exporter, and supplier of a wide variety of sodium chloride (NaCl) products. Established in 2023, the company is committed to providing high-quality salt for both industrial applications and human consumption.

ABOUT US

Raaghvi Salt Refinery Private Limited, based in Jaipur, Rajasthan, is a leading manufacturer, exporter, and supplier of a wide variety of sodium chloride (NaCl) products. Established in 2023, the company is committed to providing high-quality salt for both industrial applications and human consumption. Under the leadership of Mr. Abhishek Garg, the founder, Raaghvi Salt Refinery has quickly gained a reputation for excellence and reliability in the salt industry.

Our team comprises highly qualified professionals with expertise in chemical, mechanical, technical, and commercial fields. This diverse talent pool allows us to maintain the highest quality standards and meet the varied requirements of industries like caustic soda, soda ash, iron ore, steel, aluminum, zinc, chemicals, dyes, textiles, detergents and soap, cattle feed, leather, power generation, oil and gas, and food production.

We offer a comprehensive range of salt products, including raw salt, industrial salt, and iodized salt. Our state-of-the-art facility in Jaipur is equipped with the latest technology and infrastructure, enabling us to refine salt to precise specifications. We maintain stringent internal quality checks to ensure that our products consistently meet or exceed industry standards.

With a production capacity of 65,000 metric tons per month, Raaghvi Salt Refinery is well-equipped to serve both domestic and international markets. Our flexibility allows us to customize our products to suit a wide range of industrial applications, making us a preferred partner for clients across various sectors.

Raaghvi Salt Refinery is dedicated to continuous growth and innovation, focusing on expanding our export market and contributing to India's success in the global salt industry. We are committed to providing exceptional quality and service to our customers, ensuring that their needs are met with reliability and precision.
