ABOUT US

Welcome to Shrisons Steam Tech, a dynamic player in the industrial equipment manufacturing and trading sector. Established in 2011 by Mr. Pramod Kumar, headquartered in Gurugram, Haryana. We take immense pride in our journey and our relentless commitment to providing top-notch industrial solutions.

Our Speciality

At Shrisons Steam Tech, we specialize in the production and distribution of a wide array of products including Industrial Steam Irons, Electric Irons, Industrial Washing Machines, and more. Our comprehensive product range is designed to cater to the diverse needs of businesses in the industrial sector.

Our Quality

Over the years, we have built a strong reputation for our quality, innovation, and customer-centric approach. We understand the importance of reliability in industrial equipment, and that's why we leave no stone unturned in ensuring the highest standards of quality in our products. Each of our offerings is crafted with precision, backed by cutting-edge technology, and tested rigorously to guarantee optimum performance.

Our Team

Our team of experienced professionals works tirelessly to stay at the forefront of technological advancements, ensuring that our products remain efficient, eco-friendly, and cost-effective. We are dedicated to helping businesses boost their productivity and achieve their goals by providing them with the right tools for the job.

Customer Satisfaction

As a customer-focused organization, we prioritize your satisfaction above all else. We believe that every client is unique, and we are committed to tailoring our products and services to meet your individual needs. Our customer support team is always ready to assist you and provide expert guidance.
