Welcome to Mech O Tech LLP, your trusted partner in the world of Herbal extraction, Aromatic oil distillation, and Natural color extraction solutions. With over two decades of experience in the extraction and distillation industry, Mech O Tech is your go-to source for cutting-edge equipment, machinery, and expert services. Our commitment to quality, innovation, and customer satisfaction has earned us recognition in more than 40 countries. We specialize in crafting a wide array of extraction and distillation solutions tailored to cater to diverse industry needs. Our comprehensive product line includes batch type, rotary type, continuous type, and Solvent extraction equipment, as well as oleo resin and floral extraction plants, and Natural color extraction solutions. We are committed to providing tailored designs and various capacities, ranging from lab scale 5 kg to commercial scale 20 tpd.

At Mech O Tech, we specialize in designing and manufacturing a wide range of equipment and machinery to meet your Herbal extraction, Aromatic oil distillation, and Natural color extraction needs. Our strength lies in our experienced team, led by Mr. Srinivasa Rao Kadali, a designated partner with an extensive 23-year tenure in extraction units and 27 years in distillation and the mechanical field. Combined with the expertise of our engineers and technicians, each boasting more than 15 years of experience, we are dedicated to delivering high-quality, reliable solutions.
