

Orange Electrodes Industries

OUR PRODUCTS

- ✓ Mild Steel Electrodes
- ✓ Mild Steel Radiographic Electrodes
- ✓ Mild Steel and Iron Powder Electrodes
- ✓ Low Hydrogen Electrodes
- ✓ Low Hydrogen & Iron Powder Electrodes
- ✓ Low Hydrogen High Tensile Electrodes
- ✓ Cutting & Gouging Electrodes
- ✓ Hard Facing Electrodes
- ✓ Cast Iron Electrodes
- ✓ Stainless Steel Electrodes

YEAR OF
ESTABLISHMENT
2008

www.orangeelectrodesindustries.co.in

orangeelectrodes@gmail.com

Orange Electrodes Industries was established in 2008. We are one of the very few Electrode Manufacturing Companies to be ISO 9001 : 2015, ISO 14001 : 2015, ISO 18001 : 2015 CERTIFIED. Our Products are also CE Mark Approved. Based in Thane, Maharashtra (India) we have created a wide-distribution network supplying goods to various parts of the world including all over India, Kenya, Nigeria, West Africa, Dubai etc.

INFRASTRUCTURE

We have a plant, located at Asangaon having a production capacity of 15000 MT. Our manufacturing unit is equipped with all the essential machines having production capacity to meet bulk order requirements. We also offer customized production facility making Welding Electrodes as per the customers specific requirement.

ACHIEVEMENT

One of our biggest achievements is being recognized by national and international bodies. Our Welding Electrodes have been approved by Indian & International bodies like :

- ✓ Lloyds Register Asia (LRA) (U.K.)
- ✓ Bureau Veritas (BV) (France)
- ✓ Det Norske Veritas
- ✓ Indian Register of Shipping (IRS)
- ✓ Indian Boiler Rules (IBR)
- ✓ Project Development India Ltd (P.D.I.L)
- ✓ Bureau of Indian Standards (B.I.S)
- ✓ THERMAX INDIA
- ✓ From consultants like :
- ✓ MN DASTUR & Co (P) Ltd
- ✓ TATA PROJECTS
- ✓ BHEL(Trichy)
- ✓ CIDCO INDIA

Our Clientele We have garnered a large clientele base owing to the good quality of our Welding Electrodes. The list of our valuable clients is mentioned below :

- ✓ Mukand Steel
- ✓ Jkumar Infraprojects
- ✓ Goa Shipyard
- ✓ Modest Infrastructure
- ✓ Dempo Shipyard
- ✓ Mahanadi Coalfields
- ✓ South Eastern Coalfields
- ✓ Malabar Cement
- ✓ Bhagwati Ferro Metal

Nature of Business
Exporter and Manufacturer

Mild Steel Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

Mild Steel Electrodes that we offer are manufactured under the strict vigilance of experts. Thus, our Mild Steel Electrodes are dimensionally accurate. We are named among the renowned Manufacturers, Exporters and Suppliers of Mild Steel Electrodes from India. We conduct stringent quality tests on Mild Steel Electrodes so as to ensure that only the defect-free product reaches the customers' end. One can obtain Mild Steel Electrodes from us in small as well as bulk quantities.

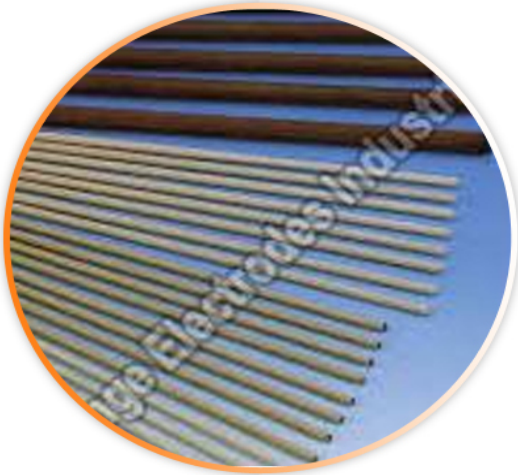

Mild Steel Radiographic Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

The Mild Steel used in the manufacturing of Radiographic Electrodes is procured from the trusted sources of the market. The testing of our Mild Steel Radiographic Electrodes is done using highly advanced technology. We are one of the reputed Manufacturers, Exporters and Suppliers of Radiographic Electrodes from India. When it comes to delivery, we always deliver Radiographic Electrodes on time that makes us stand tall among our competitors.

Mild Steel and Iron Powder Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

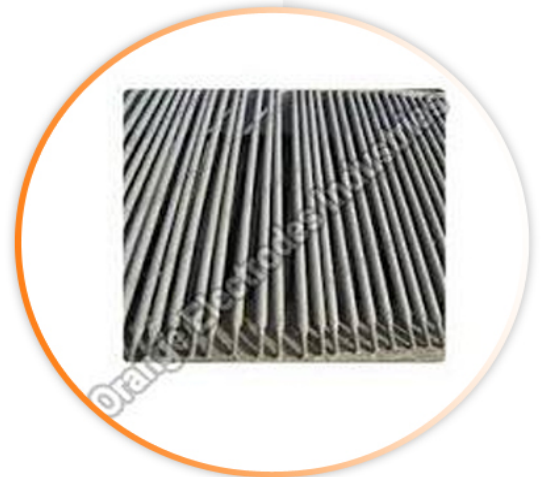

Mild Steel and Iron Powder Electrodes that we offer are manufactured under the supervision of experts. Thus, buying Electrodes from us will be the safest option for the buyers. We are enlisted among the reputed Manufacturers, Exporters and Suppliers of Electrodes from India. Our Electrodes are subjected to stringent quality tests so as eliminate each and every possibility of defect from them. One can obtain Electrodes from us at the most reasonable prices.

Low Hydrogen Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

Low Hydrogen Electrodes that we offer are manufactured using quality approved basic material and the latest techniques at our well-equipped production unit. Moreover, these electrodes are tested on various quality parameters. We are one of the leading Manufacturers, Exporters and Suppliers of Low Hydrogen Electrodes from India. We are capable of delivering retail as well as bulk orders for Low Hydrogen Electrodes on time.

Low Hydrogen & Iron Powder Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

We deal in Low Hydrogen and Iron Powder Electrodes. We share glorious credentials in the list of top Manufacturers, Exporters and Suppliers of Electrodes from India. We manufacture Electrodes as per the requirements by the buyers. We also test Electrodes on various quality parameters under the supervision of experts. We have developed a vast distribution network that enables us to deliver retail as well as bulk orders for Electrodes on time.

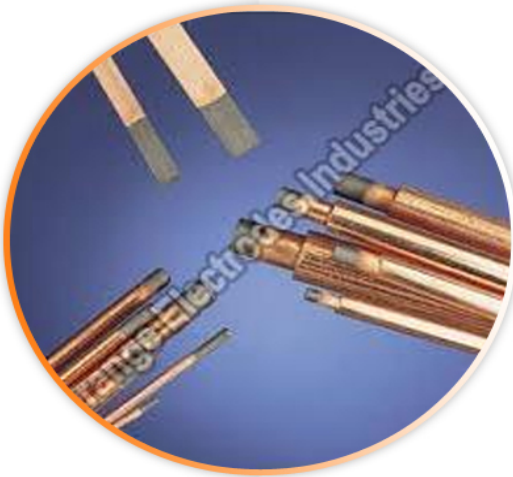

Low Hydrogen High Tensile Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

Low Hydrogen High Tensile Electrodes that we offer are well tested. Thus, buying them from us will be the safest option. Our company is an eminent name, which is counted among the top Manufacturers, Exporters and Suppliers of Electrodes from India. We manufacture Electrodes using advanced technology. When it comes to delivery, we make all arrangements for quick shipment of Electrodes. One can obtain Electrodes from us in small as well as bulk quantities.

Cutting & Gouging Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

The manufacturing and testing of our **Cutting and Gouging Electrodes** are done using the latest techniques under the strict vigilance of experts. We are one of the eminent Manufacturers, Exporters and Suppliers of Cutting and Gouging Electrodes from India. Our Cutting and Gouging Electrodes are well tested and therefore, are the perfect option on which buyers can easily rely. One can obtain Cutting and Gouging Electrodes from us at competitive prices.

Hard Facing Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

Hardfacing Electrodes that we offer are manufactured and tested under the supervision of experts. Thus, our Hardfacing Electrodes are dimensionally accurate and can perform well even in adverse conditions. We are counted among the top companies, which are engaged in manufacturing, supplying and exporting Hardfacing Electrodes from India. We are efficient enough to process retail as well as bulk orders for Hardfacing Electrodes even at short notice period.

Cast Iron Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

Cast Iron used in the manufacturing of these electrodes is sourced from the reputed sources of the market. We are counted among the top Manufacturers, Exporters and Suppliers of **Cast Iron Electrodes** from India. Our quality controllers conduct stringent quality tests on Cast Iron Electrodes so as to ensure their dimensional accuracy and flawless performance. Obtain from us, small as well as bulk orders for Cast Iron Electrodes at market-leading prices.

Stainless Steel Electrodes

Business Type : Manufacturer, Exporter

Location : Worldwide

Stainless Steel Electrodes, offered by, us are using the latest techniques at our well-equipped production unit. The stainless steel used in the manufacturing of these electrodes is procured from the most reliable sources of the market. We are one of the prominent Manufacturers, Exporters and Suppliers of **Stainless Steel Electrodes** from India. We have the capability to deliver retail as well as bulk orders for **Stainless Steel Electrodes** within the stipulated time frame.
