**BAJAJ:** Chetak, Saffire, Wave  
**HERO:** Pleasure, Achiever  
**HONDA:** Eterno **LML:** NV (Spl),  
 Select II, Star Euro 150, 200  
**MAHINDRA:** Duro, Rodeo 125,  
 SYM Flyte, Kinetic 4S, Kinetic Nova,  
 Kinetic Kine **TVS:** Spectra

#### Features:-

- Big angular block pattern facilitates minimum deformation and optimum force distribution with extra dry & wet grip
- Well aqua planned tread grooves for better water channelling
- Cavity designed with flat crown for better foot print contact & stability and extended shoulder will facilitates optimum slip angle while cornering
- Bigger tread blocks for more road contact & stability
- High skid depth gives more mileage
- Multi polymer based tread compound provides for lower rolling resistance and better traction

## Conti Faccina

### Size

90/90-12  
 TL

### Application

**HONDA:** Aviator  
**MAHINDRA:** Gusto  
**TVS:** Jupiter, Wego

#### Features:-

- Smiley Pattern designed with concept of tyre
- Designed with more land area at crown for better grip & mileage
- Combination of directional and circumferential side grooves
- High gauge tubeless liner layer on inner surface for better air retention

## Conti Ride Plus

**Size**  
3.50-10
